

# Social Work **Services**

Our Social Workers can help you in addressing challenges and changes in your life and breaking down barriers to health and wellbeing by assessing your needs, situation and support networks. We can assist you to access local resources and services that will make your life easier and more enjoyable and help you to reach your goals and connect with your local community.

Services that our Social Workers can provide include:

Counselling

Referrals to other service providers

Connecting to your community and building social relationships

Housing assistance

Assistance with applying for a Power of Attorney or enduring guardianship

Advocacy
