Small Wellness Gym Classes

Customers can improve balance, strength and wellbeing by exercising in our Wellness Gyms. The gyms are specially built so seniors can enjoy low-impact exercise while socialising.

Chair Yoga

This modified form of yoga helps improve circulation, stretch tight muscles, improve flexibility and reduce stress and tension. Customers complete exercises while sitting on a chair or using the chair to balance.

Massage Therapy

Gentle remedial massages help to loosen tired muscles and increase flexibility and balance.

Occupational Therapy Services

Support including wheelchair and seating prescription, pressure care education and equipment, fatigue management and adaptations for chronic illnesses, and home safety assessments.

Wellness for Independence® Programs

Diabetes Wellness Program

Helping you manage the highs and lows that come with living with diabetes, our **Diabetes Wellness** program is run by expert staff who will develop a tailored diabetes health plan to meet your needs and support you to reach your wellbeing goals along the way.

Memory Wellness Program
